

2018 Advertising Opportunity!

Reach irrigation and drainage professionals in the U.S.
and around the world!

USCID is the leading U.S. professional society for water resources professionals involved in agricultural irrigation, drainage and flood control. USCID is the U.S. national committee and one of 60 member countries of the International Commission on Irrigation and Drainage.

USCID and ICID Members are involved with:

- planning
- design and construction
- operation and maintenance
- biological sciences
- environmental and social issues
- project finance
- economics and law

They represent:

- consulting firms
- water districts
- utilities
- contractors
- government agencies
- universities
- international organizations

Advertising with USCID offers three opportunities to reach the irrigation and drainage target audience:

USCID Newsletter — Published three times a year, the **USCID Newsletter**, is the premier publication for irrigation professionals, featuring technical articles about contemporary issues in irrigation and drainage in the U.S. and around the world. Circulation includes the 400 members of USCID, and hundreds of members of ICID National Committees around the world.

USCID Membership Directory — Published annually on the USCID Members website, the Directory is a reference tool used by USCID Members for one year.

USCID Website — Receiving hundreds of “hits” a day, people from around the world log on to www.uscid.org to learn more about USCID, its meetings and activities. A link to your website will be featured in a special section of the USCID website
