

# Advertise with USCID

Reach irrigation and drainage professionals in the U.S. and around the world!

USCID is the leading U.S. professional society for water resources professionals involved in agricultural irrigation, drainage and flood control. USCID is the U.S. national committee and one of 60 member countries of the International Commission on Irrigation and Drainage (ICID).

#### USCID members are involved with:

- planning
- design and construction
- operation and maintenance
- biological sciences
- environmental and social issues
- project finance
- economics and law

#### They represent:

- consulting firms
- water districts
- utilities
- contractors
- government agencies
- universities
- international organizations

#### USCID Newsletter

Published three times a year, the **USCID Newsletter** is the premier publication for irrigation professionals, featuring technical articles about contemporary issues in irrigation and drainage in the U.S. and around the world. Circulation includes the 400+ members of USCID as well as the international members of ICID National Committees around the world.
